※ The above class times and classrooms are subject to change. Please check regularly via URP 〉 Class Management 〉 Timetable/Syllabus Inquiry.

5. Important Notes

a. Students must register for courses themselves under the guidance of their academic advisor and department chair.

b. Courses for International Students are common graduate-level courses open to all international students, regardless of their department or major. These courses are recognized as “elective” and are counted as course credits.

c. Courses with fewer than ten registered students may be canceled.

d. Attendance, grading, and evaluation policies follow the same rules as regular courses.
