Congratulations on Your Admission

Congratulations once again on your admission to **Yeungnam University Graduate School** for the **Fall 2026 Semester**.

We will soon send you your **Certificate of Admission** along with the documents required for your **D-2 student visa application** via email.
Once you receive the documents, please carefully compare them with your passport and make sure that **your full name, date of birth, gender, and all other personal information are exactly the same as shown on your passport.**

If any information needs to be corrected or if you have obtained a new passport after submitting your application, please contact us **as soon as possible** and send us copies of both your previous passport and your new passport.
To apply for your student visa, you must visit the **Embassy or Consulate of the Republic of Korea** in your home country and complete the visa application process according to their instructions.
Please note that **visa requirements and required documents may vary depending on the country and the Korean diplomatic mission**, so we strongly recommend checking the official website of the Korean Embassy or Consulate in advance.

For a smooth start to your studies, we recommend arriving in Korea **no later than August 28, 2026**. We also encourage you to continue studying Korean before your arrival to help you adjust more easily to academic and daily life in Korea.
All important announcements regarding your enrollment will be sent via **email**, so please check your inbox regularly.
We look forward to welcoming you to our campus very soon!
